

## **AFTER –SCHOOL PROGRAM MARCH ANNOUNCEMENTS**

### **'What's Happening at After School Recreation - March'**

March is a tough month for our kids because the MEA testing requires them to spend much of their day sitting and focused. And, we recognize that this can be stressful for some children. This month we will engage in as many fun, physical activities as possible to help expel all their extra energy. We have recently purchased some special soft foam balls to play Dodgeball which has fast become a favorite for all participants!

Baby Photo Guess Who - we have just completed our Baby Photo Guess Who display of all participants and staff. It was great fun seeing everyone as a baby or toddler and trying to figure out who was who.

Webkinz Day - Tuesday March 11 is Webkinz Day. We will celebrate with Webkinz crafts, a snack, play Webkinz themed games, and have a Webkinz Animal Parade.

Jump Rope Club - the jump rope club will culminate on March 17 with a showcase for parents and friends. This is a great opportunity to see all the fancy footwork, jump rope routines and skills of the jumpers.

Treasure Hunt - Monday March 24: Participants will follow a map to look for hidden treasure inside and out (weather permitting).

Cooking - March 25 Participants can sign up to be "Chef for a Day" at the Steep Falls Fire Barn Kitchen.

Pokemon Club will start April 1 and will run on Tuesdays from 3:30 - 4:30.

The After School Program strives to make this a kid-centered environment that caters to the interests of the participants. We welcome any helpful suggestions of activities, field trips, projects and/or crafts from parents.

Alice Alexander, Director
