

## Online ZONING Data GIS Disclaimer

Standish has developed a Geographical Information System (GIS) containing parcel and zoning data. Standish's zoning data is now available to the public using the free GIS software Google Earth. You must first download and install Google Earth to view this data. To do so please click the following link: <http://www.google.com/earth/index.html> and then follow the instructions to install Google Earth. After downloading and installing Google Earth you should download Standish's parcel data first then you can open a representation of Standish's Zoning Map by reading the disclaimer below and clicking on the I Agree button. This zoning data in combination with the parcel data can be viewed individually by clicking on the lot of interest. To toggle between the zoning data and parcel data simply uncheck the "**Zoning / Shoreland Zone**" layer in the "**Places**" column along the left hand side of the screen.

If you save this as one of your my places (under the "File" options) you can reopen this information without having to revisit the Standish Website.

### STANDISH 2012 ZONING MAP IN GOOGLE EARTH

The GIS version of our zoning map may be easier for some people to visualize how their properties are impacted by various zoning district boundaries. The Town of Standish is providing a method to overlay Standish's zoning map on Google Earth aerial photos. This zoning information will be updated as needed but currently is only a representation of our Official zoning map dated March 8<sup>th</sup>, 2011. The Town of Standish is not responsible for inaccuracy of this GIS version of our official zoning map. The official zoning map will be used to make all final zoning district determinations by the Code Enforcement Officer. A link to the official zoning map may be found by clicking on [Official Zoning Map](#).

*NOTE: Parcel boundaries are approximate and intended to be used for the purpose of property tax assessment only.*

**"The parcel & Zoning data information / property boundaries depicted on this map is for tax assessment purposes only. Your use of this data for any other purpose is at your own risk."**

If you have read, understand and agree with the above disclaimer, please hold down on the control key and click "I Agree" to follow the link to a file containing the Town of Standish GIS ZONING MAP.
