### LD1 MUNICIPAL SPENDING LIMIT CALCULATION

*With the passage of LD 1 in January 2005, spending limitations systems are now applied to the spending decisions for county, school and municipal budgets. The starting point in defining each municipality's spending limit under LD 1 is to identify the "baseline Property Tax Levy Limit" established in the previous year which would then be subject to a formula-driven growth allowance for the subsequent year. LD 1 defined the "property tax levy" as only the portion of the "property tax levy" that is related to municipal spending. Again, this limit only applies to the Municipal portion of the overall tax commitment. As determined through this calculation, the Property Tax Levy limit for Standish for FY2017 is **\$2,863,288**.*
