Dear Gordy;

Your support of the **Sebago Lakes Region Chamber of Commerce** has enabled us to accomplish so much over the years, and our renewed partnership will continue to help Standish and the region thrive. Through the support and loyalty of our members and community leaders like you, we are creating a stronger, more unified and prosperous business community in the Sebago Lakes Region.

Some benefits that positively impact the Town of Standish include:

- Viable marketing and networking opportunities for you to promote the goods and services of your businesses and community, such as our: *Business Breaks, Morning Momentum Breakfast Speaker Series, SLRCC Bi-Weekly E-Newsletter, weekly email blasts, Chamber website page, inclusion in our annual Business & Tourism guide, active social media presence on Facebook, Twitter and LinkedIn* and much more!
- New discounts on email marketing with *Constant Contact*, group insurance programs with Anthem's *Chamber BlueOptions* and a large variety of *member-to-member discount offerings*.
- Improved access to business resources and potential customers via the new *Members Only* section of our website (featuring a *free download* of the up-to-date SLRCC member listing), our *Professional Development Scholarship Program* and bi-weekly legislative and small business resource email updates.
- Regional Branding Campaign currently in its second phase. Phase one included the installation of regional brand signage in all (10) of our communities. Phase two will involve the production of a cable t.v. program highlighting the region and its desirability as a place to live, work and play.
- Feed the Need Initiative raising over \$80,000 over the past four years, with 100% of the proceeds benefiting our local food pantries in our 10 town region. The town of Standish has received over \$7,500 since the start of our campaign. (*Proceeds are based on the number of individuals served*)

When engaging and supporting the Sebago Lakes Region Chamber, the town of Standish is making an investment towards improving your community and the region as a whole. With your financial support of \$350.00, your annual dues payment (*a municipal rate based on population*), you are positioning the Sebago Lakes Region as a better place to live and work.

Serving you over the past three years has been an incredibly rewarding experience. With each passing day our ten communities are coming together to leverage our strengths and truly illustrate that we are indeed *One Region with Limitless Opportunities*. Thank you for your continued support!
