

**Family Crisis Services**, the Domestic Violence Resource Center serving Cumberland County is now offering two-hour drop-in sessions at the Standish Town Office!

FCS provides safe and accessible services to all people affected by domestic violence regardless of race, ethnicity, disability, sexual orientation, gender, age, primary language spoken, or immigration status.

If you or someone you know are experiencing domestic violence and you are in need of support, guidance, and information you can find a Family Crisis Services Advocate at the town office on the **third and fourth Monday of each month from 9:00AM-11:00AM.**

**Please note** that these drop-in sessions are on a first-come, first-serve basis unless you have previously set up an appointment for that time! If you arrive and the advocate is unavailable, you may contact the FCS hotline at (207)874-1973 for support or you may call the Lakes Region Outreach Site at (207)647-8501 to schedule an appointment.
