Re: Second Alarm Structure Fire – 16 Watchic Manor Road

At 1907 today's date, Standish Fire-EMS received a call from a passer-by on Pequawket Trail (Route 113) reporting a garage on fire on Watchic Manor Road

Crews arrived at 1915 and found a single story 44x48 ranch style home with heavy fire in the attached garage. Crews were able to attack the fire from the outside and inside the residence. The fire did not extend from the attached garage into the attic and was contained there. The remainder of the home did suffer smoke and water damage.

Water was supplied by tank trucks filling from a nearby brook.

The Fire Marshal's Office has conducted the investigation and determined the fire to be accidental due to improperly discarded smoking materials.

There were no injuries.

Mutual aid on scene was provided by Windham, Limington, Gorham, Baldwin, Buxton and Hollis

Stations were covered by Raymond, Hollis and Sebago.
