Re: Reported River Rescue
Ossipee Trail West at the Limington Rapids
Standish, Maine

Standish Fire-EMS was called to Ossipee Trail West at the Limington Rapids at 1902 for a male subject that was stranded on an island in the Saco River suffering an Asthma Attack.

On arrival found a male subject with his family stranded on the island. Water Rescue Crews made contact with the initial patient and brought him to shore, the rest of the family was also brought back to shore using inflatable water crafts.

A total of two patients were evaluated by EMS treated and not transported.

The situation was under control within a 30 minutes of the initial call.
